

Company Overview

Magnum Machining Inc. was founded and established as a Minnesota Corporation on May 11, 1994. For global competition, Maquinaria Magnum of Torreon Mexico was established in the Fall of 2003 as a subsidiary of Magnum Machining. Full production in Mexico followed in 2004. Jerry Bowman serves as Magnum's Chief Executive Officer (CEO) and Chief Financial Officer (CFO) for both the Deerwood, Minnesota and the Torreon, Mexico facilities. Having a facility in the United States and in Mexico has given us a dual sourcing capability. Our goal is to provide cost effective products all over the world. Magnum's success is due to the dedication of providing products that exceed customer expectations.
