

## Quality - Mexico

[Espanol](#)

### Quality Policy:

"We are dedicated to high quality products that **exceed our customer's expectations.** Every member of the Magnum Machining Team is accountable for both **process quality and product quality.** We are committed to **continuous improvement** in all aspects of our **business, products, and services.** Our progress is benchmarked through the use of **statistical measurement tools.**"

**ISO 9001-2008 Certified**  
**Certification Number: A307445**

With a Quality System that is ISO Certified, our customers can be assured that all documentation will be in order and continuous improvement will be at the top of all management reviews. The Quality Department has state of the art equipment that provides customers with the required data that includes: 1st Article Reports, In-Process Inspection Data, Final Inspection Reports and SPC requirements as specified. It also assures internal adherence to our quality manual as well as our stringent quality goals.
